Please share this flyer with your colleagues!

Up to 8 hours of Continuing Education (CME, Nursing, & Social Work) available over both days!

Preliminary Schedule Includes...

DAY 1 | WEDNESDAY | DECEMBER 8, 2021

Topics include:

- COVID-19 Long haulers and Brain Injury
- Indiana Disability Rights
- Diversity, Equity and Inclusion
- Domestic Violence and Brain Injury
- Motivational Interviewing with Brain Injury Accommodation
- Introduction of Person-Centered Thinking Principles and Brain Injury

DAY 2 | THURSDAY | DECEMBER 9, 2021

Roundtable panel discussion topics:

- COVID-19 Long Haulers and Brain Injury
- Domestic Violence and Brain Injury
- International panel of experts discuss Diversity, Equity, and Inclusion. The Way is Forward: Improving Health and Social Outcomes for Populations with Disabilities During the COVID-19 Pandemic and Beyond

Last year, many of you commented how important it was to have time for interactive dialogue with the presenters. **We heard you!** We added a second day with **three** roundtables discussion topics from the previous day presentations.

Your registration guarantees you a spot for both days. *There is no one-day registration rate available.*

Note: We plan to record and provide access to those recordings for viewing post conference.
